Luv Christmas Range from Light Up UK

Luv 200 Cool White LEDs Superbright Christmas Fairy Lights with 8 Modes

This is a beautiful pack of 200 Cool white LED high quality Christmas lights in the LUV Christmas light up UK range. All of our Christmas lights have a very impressive light output

These small LED lights pack a punch while using minimal power and remaining safe and reliable. They're not just for Christmas, they can be used all year round for birthdays, weddings, parties and other holidays.

Single button operation gives you the power of hundreds of bright, twinkling, flashing and waving LEDs at the flip of a switch

Cool white lights give a very crisp light which give a Christmassy feel to any family home. This product has a 20 meter length of lights making it perfect for decorating Christmas trees or bordering fire places.

An IP44 rating allows these lights to be used outdoors on Christmas trees, hotels, commercial buildings, shop windows, concerts, clubs and many more.

This set of fairy light has a control box that allows you to select between 8 different lighting modes:

- In Waves
- Sequential
- Slow-Glow
- Chasing/Flash
- Slow/Fade
- Twinkle/Flash
- Steady On

Product information

Length between plug and controller: 1m

Length between Control Box and First LED: 50cm

Cable Colour: Clear

8 different modes are changed via a button on a white box at the base of the line. This product uses a UK plug socket at 100V/200V. There is no mode memory meaning when the light are switched off and on the mode will reset to the default. Note this item is IP44 rated meaning it is splash proof but not suitable for prolonged use in wet conditions.
